- Cord length : 2.0 m
- Colour : Housing : Raven Black
Barrel : Metallic Silver
Attachments : Sparrow brown
- Material housing : ABS
- Removable air inlet grill
- Hanging loop

Safety Information

- This product meets the requirements regarding interference suppression on radio and TV.
- Service policy is replacement only. No repairing is allowed.

TECHNICAL INFORMATION

Voltage	: 230 - 240 V
Frequency	: 50 - 60 Hz
Power Consumption	: 2000 W
Dimension (F-box)	: 313 x 103 x 223 mm
Weight	: 613 grams

Sensor Technology

An infrared sensor continuously monitors the moisture content of the hair. It automatically regulates the temperature while drying your hair to prevent the hair from over drying.

Indicator Light

An indicator light on the handle informs the moisture content of the hair. When it lights up (red light), the hair is dry.

Special Designed Nozzle

A narrow opening to optimally guide the strong airflow towards the hair, while drying and styling.

Volume Diffuser

To create volume while drying the hair.

Removable Air Inlet Grill

For easy cleaning
